

UC Berkeley ROAR Academy Summer School For Python Scientific Programming and AI Now Open Online for July and August 2023

UC Berkeley College of Engineering and the Vive Center now accept ROAR Academy Summer School for Summer 2023. ROAR Academy is a rigorous, intense two-week summer program designed for advanced high school students (G 10-12) who have demonstrated an aptitude for academic and professional careers in Science, Technology, Engineering and Mathematics (STEM) subjects.

In the past three years, Berkeley ROAR Academy has strived to provide a rich and integrated learning ecosystem for high schools, colleges, and beyond. Our top students have participated in ROAR AI Racing competition, been awarded ROAR Ambassadors fellowship, and even attended Indy Autonomous Challenge.

2023 ROAR Academy Sessions

Session 1 (June 26 - July 8)

Session 2 (July 10 - July 21)

Session 3 (July 24 - August 4)

Website: <https://roar.berkeley.edu/roar-academy/>

ADMISSIONS

We welcome applications from high school students who will be entering 10th, 11th, or 12th grade in Fall 2023.

Applications are reviewed on a rolling basis, and space is limited to three classes only. We encourage you to submit your completed application as soon as possible.

Early Application Deadline: March 24, 2023

FINANCIAL AID

For families who demonstrate financial need, the ROAR Academy awards full scholarships, and you do not need to submit an additional scholarship application.
